Entertainment & Search engines

Features and Benefits

The WiiU Parental Controls allow you to set restrictions for each family member, giving control over what games can be played or downloaded and how your children can search and interact online.

What specific content can I restrict?

Inappropriate content

Game ratings

Chatting

Privacy

Browser Access

Purchasing

What do I need?

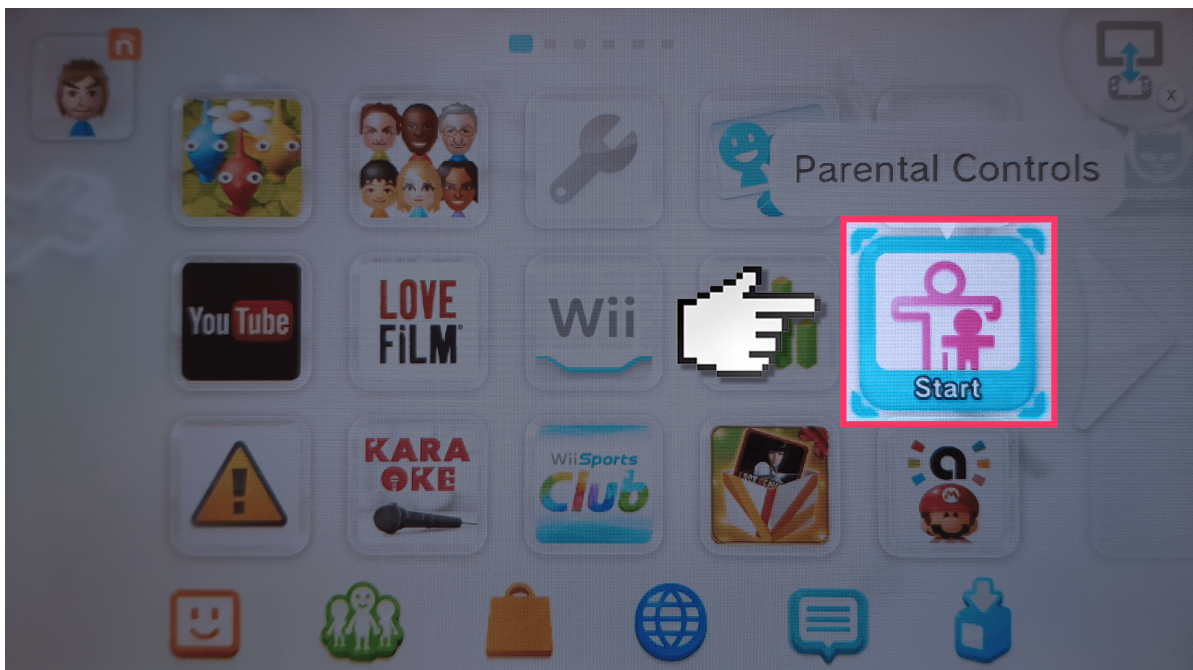

You will need access to the Wii U console.

Nintendo Wii U

Step by step guide

1

From the Wii U Menu select “Parental Controls” then read the following two messages, tapping “Next” or pressing the A button will dismiss them.
