Parental Controls information

Type of guide

Smartphone and other devices

Features and Benefits

Google Home does not have a parental control centre. However, you can limit what can be played and searched on Google Play and YouTube.

What specific content can I restrict?

Media Streaming

Inappropriate content

What do I need?

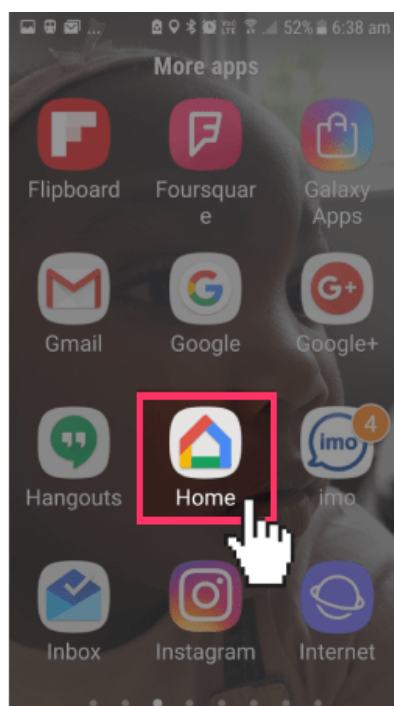

A Google Account (email address and password)

Google Home

Step by step guide

1

Restricting explicit YouTube videos Open the Google Home app.

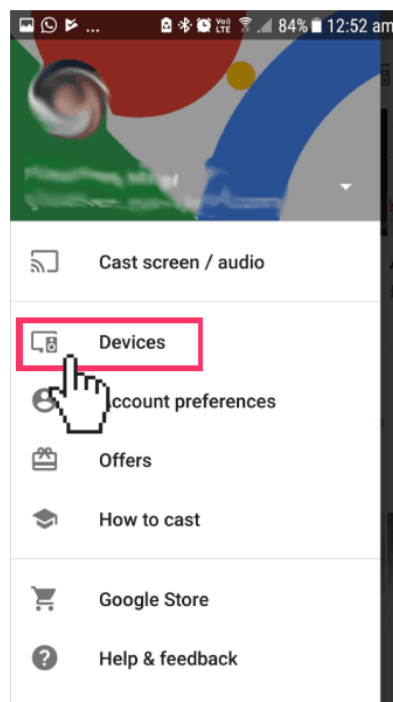

Google Home

Step by step guide

2
