If you would like to send in the money for these events in advance so that you don't have to find change, you may send in money detailing which events you are paying for or use school money and you will be issued with a receipt. If not, money can always be collected leading up to and on the day of these events. You can make any donations or payments using the school online system, please notify class staff if you have made a contribution using the online payment service.
