Q1

Following the government's announcement about pupils returning to schools, do you now think it is safe for your child to come back after June 1st (NB This would be with social distancing in place, less pupils on site, less staff on site and a reduced length of day)

Q3

Would you agree that a combination of some attendance at school and some days at home during the rest of the term, is the best scenario we can hope for? This would allow many pupils to safely access direct education in school by reducing numbers and therefore reducing the risk of CV 19 spreading.
