SCHOOL NEWS

We have had a fantastic start to the summer term! A huge well done to all of our pupils for coming back to school with such positivity and putting in lots of effort. We are all excited for a wonderful last term and warmer days ahead.

At the end of last term, we said goodbye to Jemima in the kitchen and we welcomed our new cook, Claire Tooley. Claire has had a wonderful first week leading our amazing kitchen team.

Thank you to those parents and carers who have responded to the annual survey. The survey will remain open until Tuesday afternoon next week so please do complete it if you get a chance.

[Parent and Carer Survey](#)

I just wanted to take the chance again to say a huge well done to everyone for sitting so nicely for their school photos. We are always so proud of our children here and I know that you are as excited as we are to see the final results! I will be sure to let you know once the images have come back.

Good to Know

This Sunday at 3pm there will be an emergency services test on phones and other devices. Please share in advance with your children so they are prepared for the alarm sound and vibration. This will occur on devices even if they are on silent mode. The only way to prevent the alarms is to have the devices switched off.

If you, or someone you know, is living with domestic abuse and has a device hidden for emergencies, please ensure that it is switched off at this time.
