

AMO Journey So Far...

We are excited to be providing Adapted Learning Opportunities to the pupils in our trust. AMO is a brand new venture for our Trust which will allow more pupils to access an individualised learning experience, including those who might otherwise face exclusion. We are passionate in our vision to be one of the best SEN providers in the country. We welcome the experience and skills of our wider community to develop AMO even further over time. If you would like to be involved, for example, offer apprentice opportunities we would love to hear from you!

Vocational Skills

No two people are the same and Larwood Trust aims to provide a highly individualised learning environment to meet the needs of all of our pupils. Whilst AMO will encourage pupils to gain traditional school qualifications, such as GCSEs, it will also open up new pathways and passions. The opportunity to learn vocational skills across an array of interests will provide life long opportunities.

HOW TO ACCESS AMO

TIERED SUPPORT

IN COMMUNICATION WITH PARENTS/CARERS AND PUPIL, JOINT SENIOR LEADERS WILL DISCUSS ADDING TIME IN AMO TO THE PUPIL'S TIMETABLE.

WOODWORK

DJ & MUSIC MAKING

social time
