Features and Benefits

iTunes Parental Controls alow you to restrict explicit content from displaying in the iTunes Store. This includes disabling podcasts, radio content and shared music so that these items don't appear on the left side of the iTunes window.

What specific content can I restrict?

What do I need?

iTunes account

Step by step guide

Open the iTunes app.

Step by step guide

²For Mac users: From the menu bar at the top of your computer screen, choose 'iTunes' and then select 'Preferences'. For Windows Users: From the menu bar at the top of the iTunes window, choose 'Edit' and then 'Preferences'.

Step by step guide

3

Once there, click the 'Restrictions' tab.

⁶ If you want to make sure that other people can't make changes to your restrictions, click the 'lock icon' in the lower-left corner of the window and enter the administrator password for your computer. If you later want to make changes to what you disable or restrict, click the lock icon and enter your password when prompted.

Step by step guide

7 To set a maturity level to a specific profile, go back to the homescreen and select the profile icon at the top again. This time select 'Manage Profiles'.
