It is important that your grant is used effectively and based on school need. The <u>Education Inspection Framework</u> (Ofsted 2019 p64) makes clear there will be a focus on 'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'.

Under the <u>Quality of Education criteria</u> (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and Sport Premium to:

Develop or add to the PESSPA activities that your school already offer

 Build capacity and capability within the school to ensure that improvements made nowwill benefit pupils joining the school in future years

Please visit <u>gov.uk</u> for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to <u>publish details</u> of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment by the end of the summer term or by **31**st **July 2020** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2020. To see an example of how to complete the table please click <u>HERE</u>.

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

| Key achievements to date until July 2020: | Areas for further improvement and baseline evidence of need: |
|--|--|
| Planned proportion of pupils engaged with swimming lessons Wide range of curricular provision delivered until lockdown and supported by Teaching Assistants A number of pupils took part in locally based inter school events | To provide a full year of activities that were interrupted by Covid 19 from March to July 2020 To adjust curriculum provision due to ongoing pandemic and DFE/national guidance related to physical activity To provide additional outdoor learning that helps to raise cardio vascular activity such as the daily mile/walk or walk run type activities |

| Meeting national curriculum requirements for swimming and water safety. | |
|--|-----|
| What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020. | 33% |
| What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? | 33% |
| What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations? | 25% |
| Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way? | No |

Planned spend of Sports Premium for 2020-21

- Following review, make any planned adjustments for swimming curriculum delivery (£4k)
- Continue to employ Sports Coach for high delivery of sports and activities (This is greater than the Sports Prem allocation)
- Increase range of sports available in line with Covid 19 reflections and adjustments during 2020-21. For example, introduce a range of new Friday afternoon activities (£800)
- Train and develop staff awareness and skillset to deliver some options for PE based sessions
- Consider the implementation of a daily cardio vascular activity in addition to the existing provision (cost unknown but could range for a few hundred to 10k)
