Dear Parents and Carers

As previously referred to, please find within this letter, a link to a parent survey. I would be most grateful if you could spare a few minutes to complete before Friday 28th May.

This survey is focussing on our practice during the pandemic, as well as elements of how we might adjust our ways of working in the future. Although there have been huge challenges during the course of the pandemic so far, we have all had moments when we have thought that some of our adapted practice might be useful in the future. Therefore, I am currently trying to gather such thoughts from pupils, staff and parents before any final decisions are made.

Thank you in advance for the time spent completing this survey. If you would like a paper base copy, or call to go through the questions with you, please do ask.

Here is the link to the survey:

Just copy and paste into your browser and then follow the instructions. You remain completely anonymous when completing this survey.

Yours sincerely

S D Trimble

Executive Headteacher
